

# Ghost I Am

## VERSE:

**Am** **D**  
I know every pace between the seas  
**Am** **D**  
Over shoulders watched all great kings  
**Am**  
Fail to hold the weight  
**D** **Am**  
Of their dynasties

**D**

**Am** **D**  
Am I just the haunted whisperer  
**Am** **D**  
To cautious listeners, invisible,  
**Am** **D**  
Like the ghost I am  
**C** **Em** **Am**  
Like the ghost I am  
**Am** **D**  
Ooh  
**Am** **D**  
Ooh

## CHORUS:

**C** **Am**  
I was supposed to make them feel bad  
**C** **Am**  
But all it did was haunt me back  
**C** **Em** **Am**  
The closing note, end of the road  
**C** **Em** **Am**  
I can't want it, don't want it anymore  
**C** **Em** **Am**  
Can't want it, don't want it anymore

**Am** **D**

## VERSE:

**Am** **D**  
When one moon passes over the next  
**Am** **D**  
A little more forgotten, and I don't what is left  
**Am**  
Through halls and hills  
**D** **Am**  
I retrace my steps

**D**

**Am** **D**  
This void is empty, as far as I can tell  
**Am** **D**  
I've tried to find someone with the same cards dealt  
**Am** **D** **Am** **D**  
Holding my tongue for anyone else  
**C** **Em** **Am**  
Anyone, anyone else  
**Am** **D**  
Ooh  
**Am** **D**  
Ooh

## CHORUS:

**C** **Am**  
I was supposed to make them feel bad  
**C** **Am**  
But all it did was haunt me back  
**C** **Em** **Am**  
The closing note, end of the road  
**C** **Em** **Am**  
I can't want it, don't want it anymore  
**C** **Em** **Am**  
Can't want it, don't want it anymore

## BRIDGE:

**Cmaj7** **Em**

Never seen, ever-seeing

**Cmaj7** **Em**

Never a broken bone to need love and healing

**Cmaj7** **Em** **Am**

Couldn't convince myself there's no feeling at all

**Cmaj7** **Em**

Looking for a redemption arc I don't believe in

**Cmaj7** **Em**

Trying hard to finally find my freedom

**Cmaj7** **Em** **Am**

Got caught up in the comfort of never leaving it at all

**Cmaj7** **Em** **Am**

So I'll take the ticket to the great beyond

## CHORUS:

**C** **Am**

No bars held or hands tied back

**C** **Am**

I want everything I couldn't have

**C** **Am**

Let fate unfold, meet at the end of the road

**C** **Am**

I don't want it, won't do it anymore

**C** **Em** **Am**

Don't want it, won't do it anymore

**C** **Em** **Am**

Don't want it, won't do it anymore

**C** **Em** **Am**

Don't want it, won't do it anymore
